18 This civil rights action by a prisoner was filed on July
19 9, 2008. The court notified Plaintiff in writing at that time that
20 the action was deficient because Plaintiff did not pay the requisite
21 \$ 350.00 filing fee or, instead, submit a signed and completed
22 court-approved in forma pauperis application, including a completed
23 certificate of funds in the prisoner's account and a copy of the
24 prisoner's trust account statement for the last six months. See 28
25 USC § 1915(a)(2). Plaintiff was advised that failure to file the
26 requested items within 30 days would result in dismissal of the
27 action.

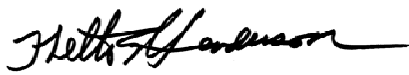

28 More than eight months have elapsed since Plaintiff was

1 notified of his filing deficiency; however, Plaintiff has not
2 provided the court with the requisite items, or sought an extension
3 of time to do so. The action is DISMISSED without prejudice.

4 The clerk shall close the file and terminate all pending
5 motions as moot.
